2010 Summer Skating Camp

The International Falls Figure Skating Club is excited to have you be a part of our 2010 summer skating program. Welcome!

SENIOR LEVEL SKATERS are offered two hours of Senior skating and a Synchro clinic.

The **JUNIOR CLUB** will have a stroking class during their group lesson. Private lessons are also being offered. Please contact one of the coaches to sign up.

BASIC SKATERS will also have an opportunity to take private lessons. These lessons allow the skaters more individualized instruction with a certified coach. Skaters will have an opportunity to work on any areas they may be having difficulty with and allow them to achieve their goals more quickly. Please contact one of the coaches to sign up.

SNOWPLOW SAM will be having a ½ hour program for the week. This will give our youngest skaters the opportunity to experience figure skating through fun on-ice activities. Helmets are mandatory for all Snowplow Sam skaters.

The **SYNCHRO TEAM** will not be holding tryouts during this summer session. However, we are offering a **SYNCHRO CLINIC**. This clinic is open to all Basic 7, 8, Junior and Senior skaters interested in **SYNCHRO**. The ice will be divided into two halves. One half will be used for experienced synchro skaters and the other half will be used for new(er) synchro skaters. This is a great opportunity to learn and experience various skills and maneuvers. It will be a FUN experience for all participants. The basic elements that make up a successful Synchro Team are team harmony, motivation, a challenging routine and **ALWAYS HAVING FUN!!!**.

We are excited to offer an hour of **OPEN SKATING** to all registered skaters every day during the week. This extra ice time is provided to all skaters at no extra charge.
