Sarah Morin	Bonnie Helderman	Danielle Davenport
Stacy Robar	BriAnne Bowles	

Regrets:

Kim Anderson	Lexi Brewinski	Lindsay Strickland
Samantha Jolicoeur		

Guests: Darlyss Kreinke-Turvey Maddy Foss

Call to order: 6:04

July Minutes: Approved by Bonnie, seconded by Tara

Financial Report/Budget: No financial report tonight

Update from Coach: Ice show is on track. There is a plan and there's an order set for it. They will keep Annies edges and work it around their schedule

Open Forum:

- There will be no ice until possibly mid-November. The chiller has a leak and they have to replace it.
- Discussed dedicated ice times. Tina reached out to Bill. He can get us some time on Saturdays. 8-12, unless there is a tournament. We would have to be off by 11:30. There would still be the extra time to figure out for older girls skating. Sunday would not be dedicated. We can't have Wednesdays as there is 8 hockey leagues skating. We are going to ask if we could have the arena open up at 10 on Sundays, which would give us more time. He is willing to push games over to Kerry if there are only a couple games.
- Chamber was wondering why Ice Box completion wasn't on the Ice Box Days flyer. It was agreed it would be good to put on there.
- Dina resigned from the board

Committee Reports: We need more people for setup. Discussed everyone needs to be at setup that has registered.

Registration:

- There are 61 signed up for skating. 19 of them are hockey.

Testing and Badge Level: No updates

Lettering: No updates

Fundraising:

- Movie day fundraiser was a good success. Made \$309.
- We are going to find out where the fundraiser drop off is going to be. Possibly the high school cafeteria.
- Discussed doing a fundraiser for synchro, possibly a movie day.
- The Frostbitten formal date will remain the same, though there have been questions if we could move it to be later. But the dance has always been the first Saturday in December. The kids who are in sports are more than welcome to come after their games. Cedulie will most likely be there later.
- Miners donated a display of 375 candy bars last year. Darlyss is going to contact them to see if they would like to donate again this year. Could make \$525. His daughter in law is a coach in Duluth. Could sell Saturday mornings. Could go around in their neighborhoods as well.

Ice Show:

- Plan is still on track.
- Discussed having the Jr's help the Sr's paint the ice. Would have guidelines. Would pair up a Jr and a Sr together. The Jr would be the gofer.

Grant and Scholarship Committee: 6 skaters were granted scholarships thanks to PCA (\$1000). Washke (\$50), Wagners (\$200) and Super One (\$250). They will be responsible for the last payment of the ice show costume however. Discussed putting the company logos on FB and website. Thank you cards will be sent.

Synchro: 5 or 7 older girls are interested in synchro. There will be a morning practice during the week. Tina never heard back from Ashley about Canada doing synchro with us. Maddy is going to email her. For the younger group, she would like 12, to see how they skate together. Tryout date is to be determined. There will be only maybe 7 practices before competition. Possibly starting out on dryland. Discussed having ice time at Kerry Park for the seniors in the morning.
